WINTER 2018

## SEC Faculty Achievement Award Winners Announced

Fourteen faculty members have been named recipients of the 2018 SEC Faculty Achievement Award, which recognizes teaching and research. SEC Commissioner Greg Sankey said the awards continue to provide a unique opportunity for the SEC to celebrate those who have demonstrated a commitment to students while making meaningful

contributions in their fields. [Click to read the full story.](#)

## Mike McConnell to Speak during 2018 SEC Academic Conference

Mike McConnell, former US Director of National Intelligence and Navy Vice Admiral, was added to the lineup for the 2018 SEC Academic Conference hosted by Auburn University. McConnell will speak on "Privacy vs. Security" at the conference entitled *Cyber Security: A Shared Responsibility* to be held April 8-10 at The Hotel and Dixon Conference Center. ## SEC Students to Compete at 6th MBA Case Competition at LSU

LSU will serve as host for the SEC MBA Case Competition on April 12-14 in Baton Rouge, La. The competition features teams of SEC students solving a business problem facing Raising Cane's Chicken Fingers, a Louisiana-based restaurant company. Dr. Dana Hart, Director of the Flores MBA Program at LSU said, "This is a live case competition in which students demonstrate how their MBA education has prepared them to solve challenges in the real world."
